Living and travelling in the Midwest I have come to cherish the recent tradition of Barn Quilts. One cannot travel far without seeing a Quilt Lovers display of their favorite quilt block on the family barn. This wonderful phenomenon has added pattern, design and color to the already soothing landscape. It is a tribute to the love and growing movement of fabric art. Barn Quilts express a lifestyle of the person living there, a statement of creativity, passion and fun. For all Quilters, with or without a Barn Quilt, this group is in honor of you!
