Quilter Basics

Read instructions before beginning a project.
All instructions include a 1/4" seam allowance; WOF=width of fabric.
22" measurement is approximate; 22" may indicate cutting the length of a fat quarter or cutting the width of fabric strip in half

1 Flower Petals:

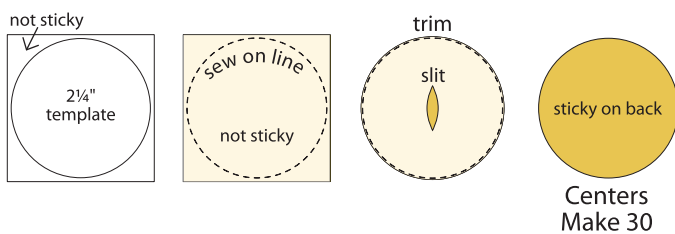

- (A) Sew a gathering stitch on the curved side of the half circles. Start and stop at least a 1/4" from the edges. *Be sure to leave a long tail at both ends to use for gathering the stitches.*
- (B) Fold the Petal in half, right sides together, and sew a 1/4" seam as shown.
- (C) Turn right side out. *Hint: Use a Revlon Emery File to extend the point then press.* Pull the threads to make the Petal. Make 8 petals from each print for a total of 30 sets of 8 Flower Petals.

2 Flower Centers:

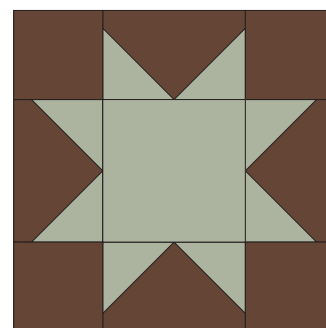

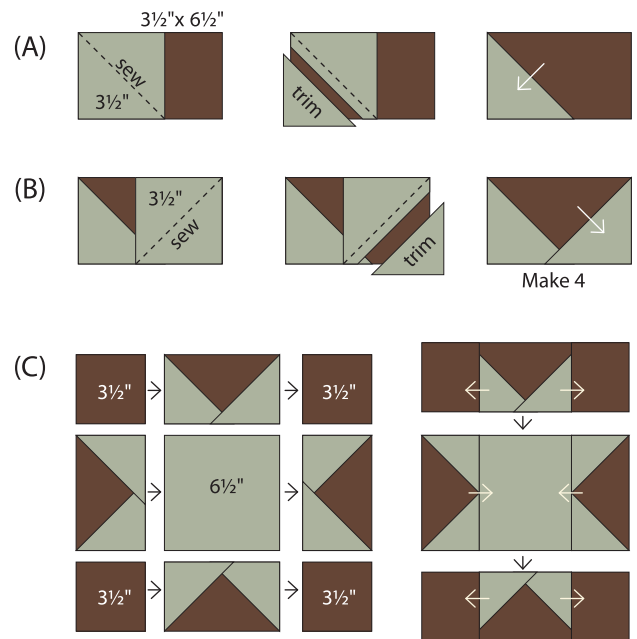

- Make a 2 1/4" Center template.
- Draw 30 centers on the non-sticky side of the fusible web. Loosely cut out around the centers. Position the center on *right side* of a 2 3/4" fabric square, sticky side down, *do not press*, stitch in place. Trim a scant 1/8" from the stitched line, slit the web, turn the center right side out. Finger press the edges, *do not iron!*
- Repeat to make 30 Centers.

3 To make one Flower:

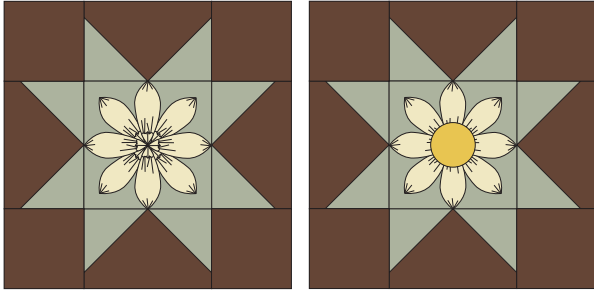

- Select 1-6 1/2" x 6 1/2" and 8-3 1/2" x 3 1/2" squares from one Print.
- (A) Draw a diagonal line on the back of the 3 1/2" squares.
- (B) Sew one 3 1/2" square on the diagonal to 1-6 1/2" x 3 1/2" Background rectangle. Trim 1/4" from the sewn line. Press to the corner to form a triangle. Add another 3 1/2" square to the same rectangle. Trim and press. Make four.
- (C) Combine units as shown to make one Flower. Repeat to make a total of 30 Flowers, one from each print.

- 5 Sew 5 Flower Blocks into a row. Make 6 rows. Combine the rows to make the quilt top. Add the 3½" Final Borders sides first then top and bottom.

- 6 Sew the 8-2½"x WOF Binding strips together. Layer, quilt and bind. ENJOY!
