*My* Grandma Evelyn had a tiered tray which she packed with goodies during the holidays. Her “Tower of Treats” had fruit on the bottom tier, candies and cookies in the middle, and some strange dried fruit (which I never chose) on the top tier.

This inspired my panel print and my rendition of the “tower” which I filled with a bounty of fruits, pinecones, bulbs, and berries. *Pine Fresh* features prints with festive flair in a warm Christmas color palette. Crimson reds, evergreens and golds are paired with bold black for richness. I think I can smell the fresh pine of *Pine Fresh*!
