About Kathleen

Kathleen has been sewing for as long as she can remember, a tradition passed on to her from generations. She has lived in a small town in Utah for 35 years, raised 5 children and is a grandma to nine. Sewing, quilting, designing and decorating are passions that she now shares with them all. She has won numerous awards for her quilts and her designs and has been published in many magazines. Kathleen is also the co-author of Modern-One Block quilts and Cabin Fever: 20 Modern Log Cabin Quilts.

About Natalia

Natalia, having sewing in her blood, has enjoyed piecing quilt tops for more than 20 years. In 2007, while pregnant with her daughter, she decided to quit her job as a dental assistant and become a longarm quilter. Without really knowing what a longarm machine was, she spent a day in a dealer's shop and walked out after purchasing a Gammill machine. Her passion and creativity has grown every day since. She, too, has won numerous awards for her quilts and designs, has taught classes and has been published in many magazines. Natalia is the author of Beginner's Guide to Free-Motion Quilting, Next Steps in Machine Quilting and Visual Guide to Free-Motion Quilting Feathers and co-author of Modern One-Block Quilts & Cabin Fever: 20 Modern Log Cabin Quilts.

About Thrive

We love quilts and quilting! Kathleen loves creating color combinations and mixing prints and Natalia has a gift for creating magic with her machine quilting skills. With Thrive, they have combined their passions and created a collection built on simple, clean lines. The modern tonal prints work perfectly as the focus or as the background, showcasing your design, piecing and machine-quilting.
