

30's Playtime

Linzee Kull McCray @seamswrite

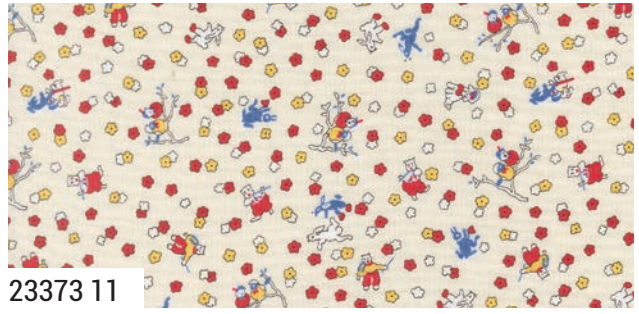

The cheerful prints and soft and soothing colors of 30s Playtime recall an era when hard times were met with resourcefulness and optimism. Parents shared skills like cooking, sewing, woodworking, and gardening, giving their children experiences both practical and satisfying. These new fabrics are just right for learning to sew: imagine pillowcases, matching mother-and-child aprons, and doll quilts. Seasoned sewists will find that along with multicolored scrap-happy quilts, the line lends itself to selecting a few colors for a more unified palette—blues and greens, purples and yellows, or pinks and reds. With 30's Playtime, the choice and opportunity for creativity is yours!
