

Jardin de Fleurs

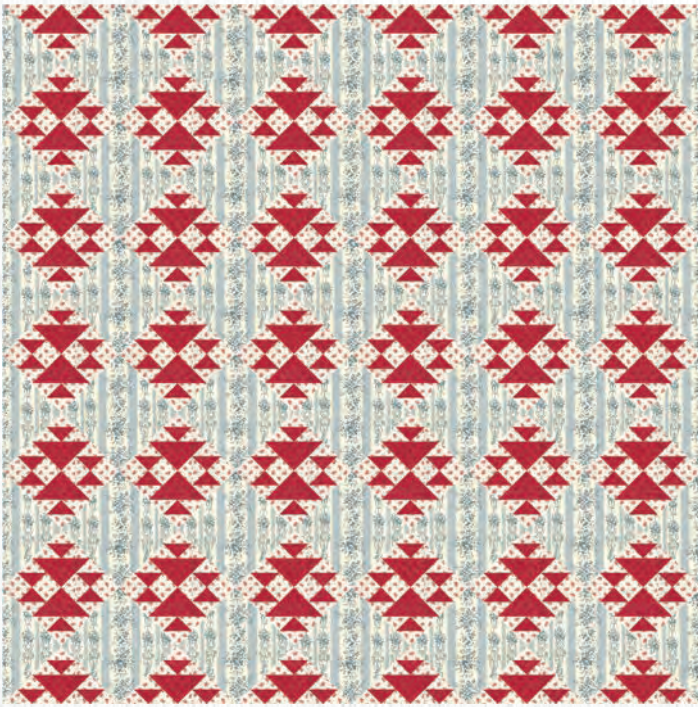

French
General

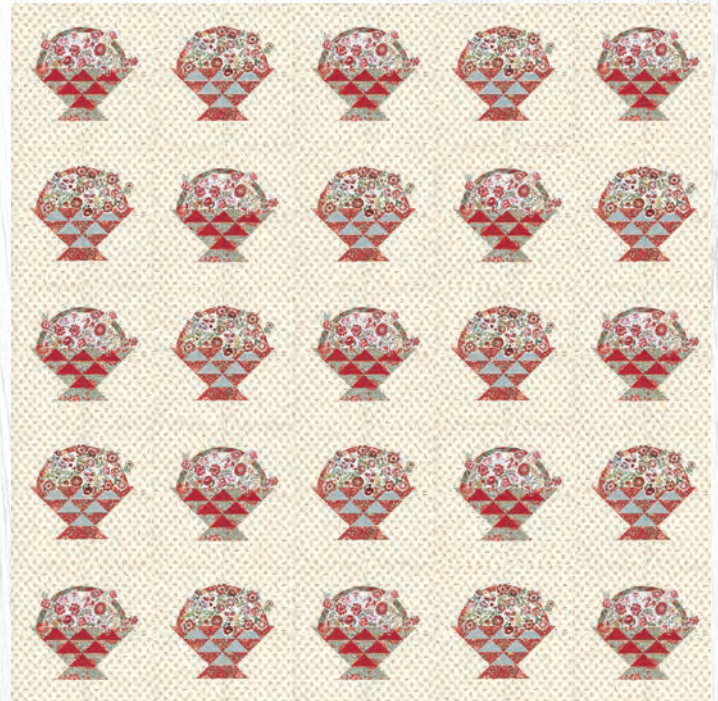

Jardin de Fleurs – or Garden of Flowers – is our latest fabric collection featuring all the pretty flowers and vines one might find in a French country garden. The color palette includes a new soft shade of blue, mixed with our classic red and pearl, and just a touch of grey. Jardin de Fleurs evokes a formal garden that is a bit overgrown and filled with all the lovely, small flowers that one gathers into summertime bouquets. This collection is well suited for blue and red quilts, as well as vintage-inspired quilts.
