CAC 108 Scarlett's Cottage

75" x 75"

105" x 105"

Wild Iris Holly Taylor

With its many lakes, and beautiful winter landscapes, the abundant wildflowers in Minnesota can be overlooked. We eagerly await the passage of spring into summer when the wild irises with their graceful petals and the lovely blending of lavender and purple bloom, and fields are full of native grasses, Dame's Rocket, and Creeping Thyme.
